Unit Leader Scout Spirit Nomination Form

Each year, every unit in MVD has the chance to nominate one adult to receive the Scout Spirit award. Each unit decides whether this nomination comes from the committee or a unit leader. The criteria used to select the individual is also determined by the unit. What leader or parent in your unit shows the glow and energy of Scout Spirit that is making a difference in your unit? The District would like to recognize these special Scouters as soon as the COVID situation is safe (need not be present to receive award but highly encouraged!)

Please complete this form and submit it to Dave Eubanks, dave.team315@gmail.com. Call if you have questions! (406-599-9369).
